AANAC Resident Assessment Coordinator-Certified (RAC-CT®) Certification

Increase your knowledge of clinical assessment and care planning, completion of the MDS, and the regulations surrounding the RAI/MDS process by attending the three-day AANAC Resident Assessment Coordinator-Certified (RAC-CT®) certification workshop. Earning the RAC-CT destination gives you the credentials to prove your assessment expertise, making you an invaluable asset for your facility, your residents, and the long-term profession.

Contact Hours

The American Association of Post-Acute Care Nursing AAPACN* is accredited by the American Nurses Credentialing Center's Commission on Accreditation.

The RAC-CT workshop has been approved for 22.5 CE's through the American Nurses Credentialing Center's Commission on Accreditation.

AAPACN is not approved to provide CE in the state of California for RNs who are licensed through the California Board of Registered Nurses

AAPCN* works in conjunction with the National Association of Long-Term Care Administrator Boards (NAB) to provide nursing home administrators with continuing education credit for any AANAC workshop attended.

*The American Association of Post-Acute Care Nursing (AAPACN) is the parent organization to AADNS.

To become an AANAC member (\$119/year) and take advantage of the reduced rate, sign up at www.aanac.org/join You must provide an AANAC member number to receive the discounted rate. You do not have to be an AANAC member to complete the program.

AANAC Certification Program

How the Certification Program Works:

To be eligible to become RAC-CT® Certified (Resident Assessment Coordinator-Certified®) an individual must:

1. Be a clinician/professional involved in the RAI process.
2. Complete 10 AANAC courses, seven of which are required as core curriculum (MDS Coding for OBRA and PPS, RUG-IV, OBRA Timing and Scheduling, CAAs, PPS Timing and Scheduling, Introduction to Medicare Part A, and Care Planning) and three electives which are (Accurately Assessing Functional Status, Five-Star Quality Rating System and Quality Measures and the MDS 3.0)

Certification is good for two years once all required courses are completed and passed. You have 90 days to pass each final exam from the date the exam is launched, upon successful completion, students will receive their RAC-CT® certificate.

Training from 8am to 5pm

Registration on Day 1 begins at 7:30am

Lunch: 12pm to 1pm (Lunch is on your own each day)

Breaks: 10am to 10:15am and 3:00pm to 3:15pm

Courses Include

- MDS 3.0 Coding for OBRA and PPS
- RUG IV
- OBRA Timing and Scheduling
- PPS Timing and Scheduling
- Introduction to Medicare Part A
- Care Area Assessments & Care Planning
- Accurately Assessing Functional Status
- Five-Star Quality Rating System
- Quality Measures

Course Completion Requirements for CE

CE for a live workshop is based upon actual classroom attendance for the duration of the scheduled educational activity and is verified through sign-in sheets. If a student must leave before the activity is scheduled to end or is late arriving, he/she will not receive full CE credit. Partial credit may be awarded. Participants will receive the CE certificate upon completion of the educational activity. Final exams are not a requirement for claiming a CE certificate for a live workshop.

Speaker Carol Hill MSN, RN, RAC-CT, DNS-CT RAC-MT, QCP-MT

- President of Hill Educational Services Inc., a long term care consulting and training company.
